**Sara Sunstein, M.A., Registered  
Advanced Instructor of Ortho-Bionomy®,**  
is praised for her warmth, expertise, and  
clarity. She maintains a practice in Berkeley,  
helping people feel better, learn about, and  
befriend their bodies.

With so many online classes this year, and little  
chance to practice what you've been studying,  
you may be interested in this regular ol' study  
group as a chance to pause, to assess, ask  
questions, clarify confusions, discuss what's up for  
you in your training or practice, and to integrate  
recent trainings.

**Possible topics in our 3 hours together include:**

- Reviewing a body part that's confusing for you,
- how to address a certain condition a client has,
- ethics concerns, client relationships,
- clarifying the phases,
- going over the so-numerous tension points.

...And your request?

**Please join us** to ask questions, deepen your under-  
standing of Ortho-Bionomy®, and support your  
practice.

**If you're in a SOBI training program,** you'll be  
fulfilling requirement for 3-hour Study Group.

**Cancellation/refund policy:** Cancellations 30 days before class are fully refundable, minus \$35 administrative fee.  
Cancellations 2 weeks before class are refunded deposit or 50% of full fee, whichever is less, minus \$35 administrative fee.  
No refunds for cancellations fewer than 2 weeks before class, except in cases of emergencies.
