**Register:** Send full amount, payable to  
Sara Sunstein, to PO Box 6533  
Albany, CA 94706

**Sara Sunstein, M.A., Registered  
Advanced Instructor of Ortho-Bionomy®,**  
is praised for her warmth, expertise, and  
clarity. She maintains a practice in Berkeley,  
helping people feel better, learn about, and  
befriend their bodies.

Study groups provide a wonderful chance to delve deeper into a specific topic and also ask questions that have arisen since you took a class.

The morning session, Ribs, is to help you feel more at ease working with ribs. So often classes don't provide enough time for ribs and all their interesting details. Now's a time to dive in, learn more, and practice.

Cranial, the afternoon study group, provides "catch up" time to explore your questions, some cranial intricacies, and practice with peers.

Please join us to ask questions, deepen your understanding of Ortho-Bionomy®, and support your practice.

Please register for both study groups. If you can attend only one, consideration for such will happen after June 22, dependent on numbers.

Sara's Study Groups each fulfill 3 units Study Groups in SOBI Associate and Practitioner trainings.

**Cancellation/refund policy:** Cancellations 30 days before class are fully refundable, minus \$35 administrative fee. Cancellations 2 weeks before class are refunded deposit or 50% of full fee, whichever is less, minus \$35 administrative fee. No refunds for cancellations fewer than 2 weeks before class, except in cases of emergencies.
